Bachelor degree graduation luncheon

End of the year activities at FRC Climbing Wall attracted local rock hounds of all ages

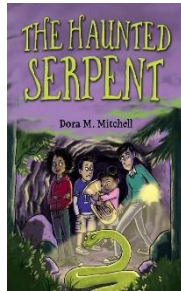

Dr. Darla DeRuiter sends her appreciation for everyone who pitched in to help sort, organize, and staff the *Trash to Treasure* waste diversion station at the dorms. It's a great way to reduce what goes to the landfill (and gets paid for by FRC), and provide next fall's incoming students with some of the items they need. Plus we're setting a strong example to our campus community that we are committed to sustainability! She also gives a big shout out to **Nick Boyd** and **Sarah Ritchie** and their staffs for helping make T2T possible.

FRC graduate **Dora Mitchell** (2006, AA Art) published her first book on June 5th called *The Haunted Serpent*. It is a middle grade adventure novel full of spooky thrills, humor, illustrations, and Plumas County was written and and was published Books. More

there are many references. The book illustrated by Dora by Sterling Children's information can be held a book signing recently where they sold out of now available at Barn Owl Books.

Nicholas Johnston is receiving intensive training on financial aid administration (advanced track) at the WASFAA Sister Dale Brown Summer Institute in Reno on June 4 - 8. After completion, Nick will be eligible to take the NASFAA Credential Exams for all of the modules in the Advanced Track.

Krystal Drybread and **Monica Potter**, along with two EOPS/CARE students, attended the 3rd Annual CARE Student Conference in Eureka on June 1-2. The CARE program is an EOPS component that provides additional services for head-of-household students who have at least one dependent receiving aid. Topics at the conference addressed relationships, mindful parenting, resumes, legal services and family bonding activities such as crafts, self-defense, team building and a trip to the Sequoia Park Zoo.

Congratulations to FRC catcher **Joe Bath** for being named 2018 ABCA/Rawlings Pacific Association Division All-American. In addition, FRC Baseball had two players recently receive state awards: **Connor Pradere** was selected to the All-Nor Cal team as an outfielder and **Joe Bath** was named All-State catcher.

The California Virtual Campus is up and running and FRC has 40 courses listed in the program that is a one-stop catalog for online courses and programs. The website indicates whether the course is an ADT or CSU transferable. The student can search by degree, course, college, subject, or term session at <https://cvc.edu/>. Many thanks for **Dr. Kim Beaton** for her leadership on this accomplishment.

Kinderlin Hoznour is very happy to report that a \$4,999 grant was awarded to the FRC Child Development Center for STEAM/STEM materials, lending literacy library for families, music and movement, and diversity materials. She is excited to start next year with these resources for families.

4. THANK YOU DR. BAGLEY FOR YOUR CONTRIBUTIONS TO FRC AND OUR STUDENTS

Resolution Honoring Dr. Michael Bagley

Whereas, Dr. Michael Bagley started at Feather River College as Dean of Instruction in July 2002, started teaching classes as an adjunct instructor in January 2003, and was a full-time faculty starting August 2011, earning tenure in 2015, and

Whereas, Dr. Michael Bagley started the Incorporated Students Program, orchestrated the growth in Physical Education classes in Chester and Feather River Fitness Center, and

Whereas, Dr. Michael Bagley worked with student clubs like Students in Free Enterprise, and was elected to the Commission on Athletics by the Northern California Chief Instructional Officers, and

Whereas, Dr. Michael Bagley initiated Student Learning Outcomes at FRC, started the Basic Skills Initiative on campus, assisted in the Good Neighbor Policy, established the Distance Education program and its acceptance into the California Virtual Campus, coordinated the SB 70 Career and Technical Education Grant, and

Whereas, Dr. Michael Bagley was an asset to fundraising, gathering Bernard Osher Scholarship donations and serving as an FRC Foundation Board Member, and

Whereas, Dr. Michael Bagley could always be counted on to be student-focused, provide assistance to any student in need, serve as a volunteer tutor at local schools, organize student trips to Uganda, tutor any student on campus regardless of whether or not they were enrolled in his class, and provide extra teaching outside of class or over the summer to help students succeed, and

Whereas, Dr. Michael Bagley always provided a friendly face, smile, handshake, comradery, support for FRC athletics, and was a friend to everyone on campus,

Therefore, be it resolved that Feather River College wishes Dr. Michael Bagley best wishes in his new endeavor and offers our collective friendship and continued gratitude to a great person with an even bigger heart.

Testified on this 25th day of May, 2018.

Dr. Kevin Trutna
Superintendent/President
Feather River Community College District

5. CONSERVATION & WILDERNESS MEDICINE CONFERENCE

The first *Conservation & Wilderness Medicine Conference* was a huge success. Under the leadership of Plumas District Hospital, almost 90 participants converged upon Quincy for this unique training that meshed conservation with outdoor medicine. Highlights included an air ambulance demonstration on the FRC football practice field. **Rick Stock** and **Jeff Lewis** had the privilege of coordinating planned outdoor activities which included birding, fly fishing, stand-up paddle boarding, kayaking, canoeing, intermediate and advanced mountain biking, and hiking. **Darla DeRuiter** was involved assembling the programs for the conference as well as delivering a speech on the Middle Fork of the Feather River. FRC hosted a camping site for participants where approximately 30 people took advantage of the incredible weather and camped during the conference.

7. RETIREE RESOLUTIONS FOR BETH REID, LESLIE MIKESSELL AND MIKE MILLER

BOARD OF TRUSTEES OF THE FEATHER RIVER COMMUNITY COLLEGE DISTRICT

RESOLUTION # 17/18-05

Whereas, Beth Reid began her employment with the Feather River Community College District as an exercise Instructor in Portola in 1979, in 1990 became an Instructional Assistant for the Learning Resource Center, in 2002 obtained a position as an Instructional Assistant for the TRiO program, and has been an Academic Advisor within that program for the past eight years; and

Whereas, Beth Reid has taught English and Stretch and Tone classes for over 30 years and has mentored hundreds of students as they worked to meet their educational goals; and

Whereas, Beth Reid has been highly committed to the TRiO program having been involved in exceeding the expectations of the grant since its inception at Feather River College as well as facilitating dozens of workshops and transfer trips; and

Whereas, Beth Reid served Feather River College and the Classified Senate by participating on numerous shared governance and hiring committees; and

Whereas, Beth Reid has worked under six of the eight Superintendent/Presidents that Feather River College has had since it was founded and has seen the campus grow from a small rural campus to the diverse campus that it is today; and

Whereas, Beth Reid has served her community through her involvement with the FRC Foundation and Feather River Land Trust; and

Whereas, Beth Reid is and will forever be known for her wonderful sense of humor, her willingness to go above and beyond for students, as an editor of many student papers and college documents, her monthly trips to Chico, her participation in the Quincy Star Follies, her 6:00 a.m. run no matter the time zone or season, and her genuine love for Feather River College; and

Whereas, Beth Reid has truly been an advocate for Feather River College students for nearly 40 years.

Now, Therefore Be It Resolved, that the Board of Trustees, Superintendent/President, faculty, and staff of the Feather River Community College District of Plumas County, California, recognizes and honors Beth Reid for her exemplary service to Feather River College and wishes her well in her retirement.

John Sheehan, President

FEATHER RIVER COMMUNITY COLLEGE DISTRICT
RESOLUTION 17/18-06

- Whereas,* Michael Miller began his employment with Feather River Community College District as Manager of the Eagle's Perch Café in August 2011;
- Whereas,* Michael Miller faithfully served the students and staff at Feather River College for six years, until his retirement in January 2018;
- Whereas,* Michael Miller used his professionalism and imagination to create nourishing and satisfying menus and meals;
- Whereas,* Michael Miller, out of his sincere concern for student welfare, always emphasized affordability and value in the meals that he prepared;
- Whereas,* Michael Miller used his culinary expertise to train many student workers in the food services trade;
- Whereas,* Michael Miller provided extensive catering services to the campus community, in addition to athletic camps, summer camps, and fire camps;
- Whereas,* Michael Miller championed and facilitated the annual Thanksgiving luncheon which provided the entire campus community – students, staff, faculty and administration - with an opportunity for shared fellowship;
- Whereas,* Michael Miller, as a gifted guitarist, generously provided musical entertainment for the annual year-end party;
- Whereas,* Michael Miller supported the student body by collaborating with the Art Department to create space in the Eagle's Perch to display student art projects;

Therefore, be it Resolved, that the Board of Trustees, Superintendent/President, faculty, and staff of the Feather River Community College District of Plumas County, California, recognizes and honors Michael Miller for his faithful service to Feather River College and wishes him well in his retirement.
