Update to Students: 4/27/2020

Good Afternoon Golden Eagles!

I hope you all had a good weekend. It's hard to believe there are only three weeks of instruction left in the term! I hope that you are all getting the support you need and will finish the semester as strong as possible. Remember we are here for you and we miss you, so please do not hesitate to reach out! If you are returning next year, or need a class(es) this summer, registration is open. If you are graduating, please watch for an email from Gretchen Baumgartner later this week. We have received nomination for student speakers and will be asking for your vote as we put together a virtual/video graduation.

Other updates:

The **Year End Student Survey** opened today and we are eager to hear from you! As always, your participation is voluntary, and all responses are anonymous. You can complete it **HERE**. Thank you in advance. We value your feedback.

ASFRC Elections will run Tuesday – Thursday this week. Watch for an email tomorrow and best of luck to our candidates! We have some outstanding leaders at FRC and we are proud of the work this year's Officers and Ambassadors have done.

Denim Day is Wednesday. We normally would have events on campus to spread awareness in an effort to support survivors and end sexual violence. You can still join this movement by wearing denim on Wednesday. You can share a photo on the FRC App and tag FRC on social media using #FRCDenimDay2020. More information can be found **HERE.**

The **Wellness Center** added a Denim Day post to their blog. Check it out <u>HERE</u>. Our counselor Nick Maez is available and supporting students through phone and virtual appointments daily. Please reach out if you are in need.

The **Instructional Resource Center** is here to help you. Attached is their schedule for academic help. Be sure to check it out!

Last, we have a new **Live Chat** feature on the home page of the FRC website! Have a quick question? Ask it here. It is currently staffed by an FRC employee Monday – Friday from 9am-7pm. We are also looking at adding some weekend evening hours.

<u>HERE</u> are some inspiring quotes to help stay positive and provide perspective during this time that we are all feeling challenged by.

Have a great week!
