

Peter Croft

When: Thursday, Feb. 4 7:00pm

**Where: FRC Forestry 403
(Next to the Gallery)**

Peter Croft is THE “High Sierra Hardman.” Hard free-solos, 5.13 on-sights, big wall link ups, speed climbing records, high Sierra traverses: he has done it all. Peter Croft possesses superhuman fitness, power, and mastery of rock climbing skill. He is recognized around the world as one of the most influential rock climbers. He climbs in a day, what most people will never do in a lifetime. Drop everything to come to this extremely special FROG slideshow.
