ADMISSIONS AND RECORDS OFFICE**

570 Golden Eagle Ave.
Quincy, CA 95971
530-283-0202

**2010-2011
SPECIAL NEVADA (GOOD NEIGHBOR)
STUDENT ADMISSION PROGRAM**

Feather River Community College District can admit full-time students who are Nevada residents at a reduced non-resident tuition rate. Eligible students are those who have lived in Nevada continuously for the previous 12-month period.

Students who apply and are granted this special tuition rate will pay \$42 per unit tuition (plus health, parking and transit fees) rather than the tuition for out of state students (\$220 per unit plus enrollment fees). The number of Special Nevada students is limited at Feather River College. To be considered as a *Special Nevada (Good Neighbor) Student* complete the application form and attach copies of documents that verify Nevada residency.

The deadlines to submit completed application and supporting documents are:

- **February 15, April 15, and June 15 for fall semester**
- **December 1 for spring semester**
- **May 1 for summer semester**

You may submit the form anytime before the application deadline. You must provide copies of documents to verify residency in order for your application to be processed. Incomplete applications will not be considered for the Special Nevada tuition rate. Applications submitted after the deadline will be evaluated on a space available basis only. The Good Neighbor selection committee will take into consideration individual student's needs and talents, e.g., major, financial need, sports participation, and geographical distribution within Nevada.

Feather River College limits the Special Nevada (Good Neighbor) tuition rate to 78 freshmen, students who have completed fewer than 30 college units. Second-year students (sophomores) and those that have completed 30 or more units, will not be considered for this program. Second-year students and students who have completed more than 30 units have the option of applying for California resident tuition (\$26 per unit) or paying the out-of-state tuition fee (\$220 per unit plus enrollment fees).
