Dear «First_Name»,

We are happy to welcome you to Feather River College. This is your formal notice of admission.

Your student User ID is: «ID_Number»
Your PIN is: your 6 digit date-of-birth MMDDYY (you will be prompted to change this)

Your User ID is your login to your student portal (MyFRC). This is where you will register for classes, pay your enrollment fees, check your financial aid status, view grades, update personal information, etc.

Below are the steps to getting started at FRC:

1. **Apply for Financial Aid:** If financial assistance is needed, complete the [Free Application for Federal Student Aid](#) (FAFSA) using Feather River College's school code 008597.
   Please note, out-of-state student tuition fees are different than resident student fees.

2. **Request a Student Email:** All students need a [Network Account](#) to receive a student email address, to login to computers on campus, and to login to Canvas, the college's learning management system that is used in most courses.

3. **Secure Housing:** If you plan to live in student housing, complete the [Student Housing Application and License Agreement](#) as soon as possible as housing fills quickly.

4. **Send Transcripts:** Send official high school transcripts, official college transcripts or Advanced Placement scores (if applicable) to:
   Feather River College Attn: Admissions & Records, 570 Golden Eagle Ave., Quincy, CA 95971.

5. **Complete** [Online Orientation.](#) In addition, we strongly encourage all students to attend orientation on campus the Friday before classes begin.

6. **Advising/Counseling:** Contact the Advising/Counseling Office at frcadvising@frc.edu to set up a virtual meeting with an advisor or counselor to discuss your academic goals. In the virtual meeting you will review transcripts, select courses, and develop a Student Education Plan (SEP) which will identify the courses you will need to take in order to meet your career, degree, and/or transfer goals.

7. **Sign Up for Classes:** Login to your [MyFRC](#) using the User ID and PIN above. Click the 'Student' tab, then the 'Registration' link, and then 'Add or Drop Classes' link. Confirming a plan for payment of tuition and enrollment fees will be a part of the registration process.

8. **FRC App:** Stay current on the activities at FRC with the FRC App. Download the FRC App on the App Store or Google Play. Use your FRC email and password to register on the app as a student.

If you have any questions, please email the Admissions Office at admissions-records@frc.edu.

We look forward to being a part of your academic journey!
