

Graduation and Transfer

Page 78

Intersegmental General Education Transfer Curriculum (IGETC)

Completion of FRC courses that satisfy IGETC requirements will permit students to transfer from FRC to any UC or CSU campus without the need, after transfer, to take any additional lower-division general education courses to satisfy individual campus general education requirements.

University of Nevada, Reno (UNR)

FRC has articulated a Transfer Core Curriculum with UNR. FRC students may take advantage of a special UNR "Good Neighbor Policy" that allows FRC transfer students to enroll at UNR for a reduced out-of-state tuition fee.

General Education/Core Class Identification

FRC classes that satisfy lower-division General Education or CORE curriculum requirements of FRC, California four-year colleges, or the University of Nevada, Reno are designated by initial (FRC, CSU, IGETC, UNR) in the course description section of this catalog below unit designations. The UC designation indicates a University of California transferable course. CAN indicates a course that has been certified by the California Articulation Numbering System.

All course work counted towards General Education must have an average GPA of 2.0. Students must complete both English 101 with a "C" or better (or a "Pass") and one of the Math courses listed as satisfying GE requirements with a with a "C" or better (or a "Pass.")

** IGETC courses must be completed with grade "C" or better.*

*** For information on lower division major course work, consult www.assist.org.*

Academic Majors

Page 85

Academic Majors and Evening Degree Program

Academic majors are offered in the following fields leading to Associate in Arts (AA) and Associate in Science (AS) degrees. Courses eligible for the Associate degree are numbered in the 0-2—series only.

Each course counted toward the unit requirement of a major must be completed with a grade of C or better.

Certificates of Completion and Certificates of Achievement

- o No more than 50% of the units may be taken at another college.
- o The certificates are departmental awards. Therefore, the advisors will sign off on the applications for certificates under 18 units. Copies of the college policy and certificates applications will be given to each advisor before the beginning of each year.
- o Receiving the certificate does not imply that a graduation requirement has been met.
- o Certificates will be posted to the student's transcripts and mailed at the end of each semester.
- o Maintain a minimum cumulative grade point average of 2.0 for both Certificates of

Achievement and Certificates of Completion.

Evening Degree Program

Feather River College offers students the opportunity to earn an Associate Degree in Liberal Studies and satisfy the California State University (CSU) system General Education requirements by attending on-campus classes only in the evening.

Designed for working adults, parents of young children and high school students who want to gain a head start on college classes, the program is ongoing and a regular part of the FRC schedule of classes each semester.

The Liberal Studies major is based on the General Education requirements needed at the lower-division level to transfer to the CSU system(39 units), additional FRC General Education requirements(2-8 units), and transferable elective classes(13-19 units). The Evening Degree Program offers approximately 9-12 units each semester, so a minimum of six semesters is required to complete the degree.

Other Degrees

A new non – transfer general studies degree and a new liberal studies degree have been approved by the FRC Board of Trustees but not yet approved at the state level, they are included in the catalog but may change slightly. Please contact your counselor/advisor for more information or the Office of Instruction at 283-0202, ext. 342.
