"T" has it all. You want cow? He has it! You want looks? He has it! Grandson of High Brow Cat and great grandson of Smart Little Lena his bloodlines just scream cow. 14 hands is not very tall, but what he lacks in size he makes up for with willingness. He is a beautiful dark chestnut color, big soft eyes, and a gorgeous head. He has a natural big stop, and is super soft in the bridle. "T" is very willing to do what you ask, and is one of the bravest horses you will come across. He's not afraid of tarps, bags, or sacks. Loves water and crosses creeks like a champ, he has been ridden outside and loves it. He trailers, ties, leads, stands for the farrier, and has great ground manners. This horse has the potential to be a great cow horse, and was born to be in the cutting pen. Don't pass up the opportunity to take him home.

About the Rider: Jaime Dunn

This is Jaime's first semester at FRC. Jaime did 4H and Oregon High School Equestrian Team in school. After FRC, Jaime plans to move back to Oregon and keep barrel racing as a hobby. Jaime also intends to further her education in either Animal Science or "something else that interests me, keeps my mind working, and supports my expensive hobby." "With the help of FRC instructors and amazing horses, I have learned a lot and gained so much confidence."
