"Dually" is a solid built three-year old gelding. Dually has a mellow, willing to please attitude and has conformation and build to work. He was used as a 2-year-old to bring in horses from the pasture. He does solid turnarounds and has a big stop. Dually has been roped off of, ridden on trails, worked cows in the arena and ridden bareback. He is an own grandson of Dual Pep and High Brow Cat.

## About the Rider: Yvonne Huttman

This is Yvonne's second year at FRC. After this semester, she plans to transfer to UNR to attend their Pre-Vet Program. Yvonne would like to become a vet technician for a large animal vet hospital as well as having a small private training and boarding facility in the future.

"My favorite memory at FRC is the day we go out and work the flag for the first time on the colts. It is always surprising to see what each colt can do when they work the flag for the first time."
