"Easter" is a three-year old sorrel mare who was born, raised and trained at Feather River College. She is willing to please and ready for work. This filly can do it all with plenty of potential for any job that is put in front of her. She has a nice stop, great spins and precise turnarounds. Easter always puts her best foot forward. This filly carries a rope and is very handy with a cow. Easter has a very bubbly personality and always does her best to please. She will make a great horse for just about anyone.

## About the Rider: Kelsey Walters

Kelsey is a second-year student at Feather River College who will graduate in May 2010 with an Equine Studies/Horse Training degree. She then plans to attend SFSU as an English major. Kelsey would like to teach English overseas, write for Blood-Horse Magazine, Thoroughbred racing, breeding and sales and to get involved in the Thoroughbred racing and breeding business in the United States and Japan. "FRC really helped me grow up. Working as an Intern at the EQS center helped me realize a passion for the study of veterinary medicine, as well as my growing passion for working with breeding stock, weanling and yearling horses".
