Hudson is a four-year old gelding who was born, raised, and trained at Feather River College. Don't let the plain red wrapper fool you; there is something to be had in this tall, stout gelding. He has been ridden inside an arena and out on the ranch. Hudson also shows a lot of potential while working the flag. He is very soft, responsive, and confident with a rope. Hudson is ready for a good steady job and would make a great roping prospect.

About the Rider: Ashley Olson

Ashley has been attending FRC since Fall of 2009. In that time she has enjoyed starting colts and learning an entirely different training philosophy. Ashley plans on transferring to a university to pursue a bachelors degree in Ag journalism and equine science. Although she is unsure of what college she will transfer to, she is positive that new skills learned from the FRC equine program will help the rest of her life with horses.
