"Freckles" is a three year old sorrel gelding with an unusual freckled blaze. He is currently 15.1 hands but still growing. Freckles has worked cows, had a rope swung off him, and been out on the trails. This is your next ranch horse prospect.

About the Rider: Kirsty Meyers

Kirsty will be graduating Spring 2011 with her Equine Studies degree in horse training, rodeo and ranch skills. After she graduates, Kirsty plans to transfer to a 4-year university where she will continue studying equine studies and rodeo. Her life long goal is to own and run her own cattle ranch, train barrel horses, and win a world title in Barrel Racing at the NFR. Kirsty enjoys being on the FRC Rodeo Team. One of her favorite memories and things to do at FRC is to start colts.
