

FRC SPARKLIN SHOOTER

Handy 3 Year Old Black AQHA Mare

Sparkle is a beautiful, well-built mare that will turn heads wherever she goes. She has a sweet, friendly personality and is a joy to be around. Sparkle has smooth, comfortable gaits that you could ride all day, but has enough get up and go to get a job done. She has the potential to be a great all around horse. With her stocky build she would make a great ranch horse or she could really shine in the show pen. If you are looking for a horse to be your partner, Sparkle has the "it" factor and the athletic ability to back it up.
