

FRC MY SWEET WHISPER

Intelligent 3 Year Old Sorrel AQHA Mare

Whisper is a smart, smooth moving mare who is always eager to learn. This mare is confident on the trail and comfortable with tarps, flags, umbrellas, water obstacles, and uneven terrain. She really enjoys following cows too. During the auction, don't whisper... shout out this mare's name!

About the Rider: Kelsey Dean

Kelsey will be transferring to CSU Chico in the fall, majoring in Ag Business. After participating in the Summer Ranch Skills Course, Kelsey decided to take advantage of all the opportunities the Equine Program had to offer. Being able to participate in the sale horse program has opened her eyes to a new world of working with horses. She will never forget the knowledge she has gained at FRC and hopes to continue working with young horses in the future.
