Dylan is a four-year old bay gelding who is an own son of Ill Be Smart. Dylan is an honest horse who wants to please. He stands quietly when grooming, saddling, and mounting from the ground or fence. Dylan will do just about anything his rider asks including dragging cones or tarps with a rope or simply riding around the facility in a halter and bare back. Dylan has a real quiet mind and always looks for the right answer. He takes on new obstacles with a good mind.

About the Rider: Ashley Barney

Ashley has been attending FRC since Fall 2009. She is majoring in equine studies and ranch skills. Ashley's career goals are to be a western photographer, break a few good horses, leather crafting, and become a writer. "Some of my favorite times at FRC have been riding Dylan my sale horse these two semesters. He has taught me a lot about myself and learning about horses."
