	Docs Irish Whiskey	Doc's Star Barred
		Lea's Clabber Jean

Prima is a three-year old sorrel mare who was born, raised and trained at Feather River College. She is a very sweet mare who is always looking to please her rider. Prima is very responsive to the aids and has a great stop. She is very light to handle which makes her great to ride when handling ropes. Prima loves to have a job to do, such as working cows, and would make a great performance horse someday.

## About the Rider: Holly Cordero

Holly is from Stockton, CA and this is her second year at FRC as a Ranch Skills major. She plans on graduating in the spring of 2010 and then transferring to Chico State in the fall. Holly wants to eventually become a high school teacher somewhere in Northern California to teach agriculture and to own a small ranch.
