Image is a beautiful, athletic mare who is full of potential. She is soft with very smooth gaits and is a very pretty mover. Image has a natural sliding stop and her roll backs are outstanding! She's been roped off of and she shows a lot of interest in cows. She clips, baths, trailers and ties. She is a nice mare with the heart to perform. Image would be a great choice for anyone who wants a horse that could do just about anything.

About the Rider: Carolyn Carter

This is Carolyn Carter's last semester at FRC. After graduating she plans to go to Fresno State and pursue her degree in Equine Science. Her ultimate goal is to start her own performance horse barn. She started Mister as a two year old and has always been very impressed with his outstanding potential and athletic ability.
