

Veterinary Findings from Examinations on May 17, 2017

As of Wednesday May 17th, 19 of the 2017 Feather River College horses were designated “clear to sell” by Dr. Tanya Balaam of Large Animal Veterinary Services. There are several disclaimers that buyers should be aware of including the following:

Lot #1 FRC A Jewels Clarity (Clarity) is “clear to sell” but has an incisor overbite.

Lot #3 FRC Cee Dee Martina (Martina) is “clear to sell” but has an incisor overbite and a capped hock blemish that does not cause her lameness.

Lot #4 FRC Chrome Shooter (Chrome) is “clear to sell” but has a cribbing vice. Recommend cribbing collar.

Lot #7 FRC Illbe Lilemerald (Emerald) is “clear to sell” but was designated a 2/5 on the lameness scale on the right front. Mild changes on radiographic evaluation. X-rays available upon request.

Lot #10 FRC Little Miss Reba (Reba) is “clear to sell” but has a small 1 cm diameter umbilical hernia.

Lot #11 FRC My Sweet Whisper (Whisper) is “clear to sell” but was diagnosed with a mild grade 1/6 heart murmur.

Lot #12 FRC Play N Sadie (Sadie) is “clear to sell” but is missing her right eye.

Lot #13 FRC Playguns N Roses (Axl) is “clear to sell” but had surgery on his right stifle last year but has completely recovered and is selling sound.

Lot #18 FRC Some Kinda Tulip (Tulip) is “clear to sell” but was diagnosed with a mild grade 1/6 heart murmur.

Lot #19 FRC Sparklin Shooter (Sparkles) is “clear to sell” but has an incisor overbite.

All horses sold are covered under the Feather River College Satisfaction Guarantee for 30 days, as designated in the Terms and Conditions section of the 2017 sale catalog. A soundness certificate from our Veterinarian is included in each horse file and is available in the sale office should you choose to review it.

If you are leaving the state with your new horse purchase, a Health Certificate will be required in addition to the Equine Infectious Anemia Test (Coggin’s Test) included in the individual horse file. Dr. Tanya Balaam will be available immediately after the sale to issue this Health Certificate.

Please address questions about soundness of the above disclaimers to Feather River College staff or Dr. Tanya Balaam.

Thank you,

Feather River College
