

# FRC SKIPPING PEBBLES

Cowy 3 Year Old Bay AQHA Gelding

Skip is a good sized, sturdy gelding with a lot of potential for growth. He responds well to cues and comes back to his rider well. Skip has been introduced to the rope and would be well suited for the ranch or as an all-around horse. Don't skip over this pebble, he is well worth a second look.

## About the Rider: Kory O'Connor

Kory is pursuing Certificates in welding, horse training and ranch skills. He learned to ride at a young age at St. Vincent's School for Boys. He plans to make a career in welding and continue working with horses. Kory will always remember the fun he had starting colts, pack trips, winning reserve Interscholastic Pack Team at the Annual Mule Days in Bishop, Ca.
