Welcome...

14TH ANNUAL FEATHER RIVER COLLEGE AGRICULTURE DEPARTMENT PRODUCTION HORSE SALE

Welcome to Feather River College's Annual Horse Sale. Enjoy the day at our facility on the beautiful FRC campus. This sale offers a variety of horses ranging from 3 year old horses with a solid foundation to older riding horses. The majority are registered Quarter Horses. We have 20 horses this year so please take the time to be ringside to see the quality of the horses and work that went into this year's sale.

At Feather River College, our **horse training philosophy** comes from a variety of **true** horsemen. Guest lecturers and clinicians come to add to our instruction. In the past we have hosted Bryan, Jim, and Luke Neubert, Ray Hunt, Les Vogt, Jack Brainard, Ed Murphy, Nick Dowers, Mike Dean, Paul Barnes and others. Our instructors use "textbooks" from those horse trainers that we consider to be **legends** including Bill Dorrance and Leslie Desmond's *True Horsemanship Through Feel*, Les Vogt's *Cow Horse U*, Tom Dorrance's *True Unity*, Ray Hunt's *Think Harmony With Horses*, Sally Swift's *Centered Riding*, and Jack Brainard's *If I Were to Train a Horse*.

Thanks to the Feather River College Equine Studies students for all their hard work to make this sale a great success. They can answer all of your questions about the horses they have trained, about the Equine Studies Degree, or about their plans for the future.

Over the last fourteen years, this sale is successful with the help of Eric Duarte's superb auctioneering skills, and Nikki Duarte's careful attention to detail and support. A special thanks to Mike Dean and Nick Dowers for their assistance with students in the preparation of their sale horses. We would also like to thank Nick for judging the versatility competition and for his very knowledgeable commentary during the auction.

What Do The Ribbons Around the Neck Stand For?

Versatility

Conformation

Reining

All Around Champion

The horses with ribbons around their neck are the horses buyers need to pay attention to! These are the horses that stand out from the other horses for sale. Ribbons stand for accomplishments these horses have achieved. Prior to the sale and on Sale Day, students will be competing against each other with their Sale Horses in a series of trials to determine which horse and student combination has the most talent in a particular area.

A **green** ribbon indicates this horse was the champion during a versatility competition held the Friday before the sale at 1:00 pm. This horse completed a course with obstacles including crossing a creek, opening a gate, roping a cow, dragging a log and working a cow.

The **white** ribbon indicates the horse with the best overall conformation as determined by our Sale Day Judge. A classes of mares and geldings will be evaluated starting at 9:00 am on Saturday.

A **red** ribbon is worn by the horse who had the best score after completing the reining pattern during the preview at 10 am.

The horse wearing a **blue** ribbon was determined to be the best all around horse after the completion of the Versatility, Conformation, and Reining Competitions as determined by the total combined score. This ribbon will be awarded immediately prior to the sale.

Thank you for Supporting the Feather River College Foundation: Equine Studies Program

Proceeds from this sale benefit the Feather River College Foundation: Equine Studies Program. Sale of these horses goes right back to the students and into the program through the payment of guest clinicians to educate students, purchase of our classroom, upgrading of the facility such as addition of the mechanical cow/flag arena, and American Quarter Horse Association expenses such as registration fees. The students who train the Feather River College horses will also receive a 5-15% commission on the sale of their horse to compensate them for all their hard work and time preparing these horses for sale.

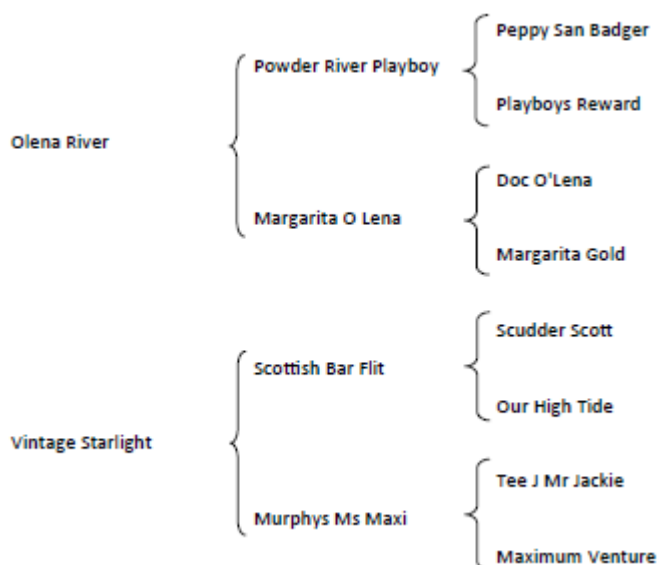

Will Your Purchase Be Tax Deductible?

The excess of the amount you pay for your animal, over the estimated market value of the animal, may qualify as a charitable contribution for income tax purposes.

Please consult your tax advisor.
