Ability to Benefit (ATB)

A requirement for eligibility for federal financial aid is for all applicants to show the ability to benefit from a college education. A student qualifies if they have met one of the following :

- **have a high school diploma**
- **have a GED certificate**
- **have completed homeschooling at the secondary level**
- **have passed an ability-to-benefit (ATB) test, or**
- **have satisfactorily completed 6 units applicable toward a degree or certificate offered by FRC.**

You reported on your FAFSA that you do not meet ***one*** of the above requirements. You are not eligible for federal financial aid and your file will not be processed until you have met the ATB requirement.

If you do not meet one of the first three requirements listed, you may satisfy the ability-to-benefit (ATB) requirement by either submitting passing scores from an ATB test *OR* by having completed 6 applicable college units. Indicate below which means of eligibility you are submitting.

_______ I have taken and passed the ATB test. *Attach a copy of verified scores.*

ATB scores verified by:________________________________Date____________

♦♦

_______ I have satisfactorily completed 6 college units that are applicable toward a degree or certificate offered by FRC. *Verified by Academic Advisor and attach transcript(s).*

FRC Academic Advisor signature:____

You may take the ATB test at the FRC Career Center. Tell the staff you need to take the ATB test. All sections of the test must be taken at the same time. This is NOT the same as the math and English assessment test.

Student Certification: I understand I may be asked to provide a copy of my high school diploma or transcript, GED certificate, or other documentation. Failure to do so will result in the delay of federal financial aid.
