**STUDENT TERMS OF AGREEMENT  
FOR FINANCIAL AID**

**REVISION EFFECTIVE JANUARY 17, 2012**

Each student has a student billing account at FRC. Cost of attendance fees such as enrollment, transit, health and course fees and book loans are billed to the student account. In addition, other charges such as library fines, parking fines and horse boarding fees may also accumulate on the account.

I understand all financial aid (scholarships, federal and state grants, student & parent loans) is disbursed into my student billing account and is used to pay my cost of attendance fees for the current academic year and up to \$200 from the prior year. I am also aware that FRC places holds on student accounts that carry balances, resulting in student record, registration and transcript holds. My signature below gives FRC permission to use my financial aid funds to pay the other charges that accumulate on my account. If I decide to change this decision I need to contact the Financial Aid Office.

**NOTE:** If you are a Cal Grant B recipient, your access funds will be disbursed into your student account as described in this paragraph. If you wish to receive a direct refund of your access funds, submit a Cal Grant B Access Authorization Form to the Financial Aid Office.
