Your Feather River College financial aid record indicates your aid eligibility has been terminated because you have completed your program.

If you believe your FRC record does not accurately reflect your academic status or if you have enrolled after earning a degree or certificate from FRC, you must appeal in writing. Phone appeals will not be accepted.

Below are guidelines to help gather information for your petition:

- Submit this form and a written statement indicating the reasons why you believe your FRC record does not accurately reflect your academic status or why you remain enrolled at FRC after completing your degree or certificate.
- If you are pursuing another degree or certificate at FRC, indicate what your long term educational and career goals are and how this second degree or certificate fits within those goals. Also, please provide a Degree Audit and updated Education Plan from your academic advisor or counselor indicating the courses on record that are acceptable towards your new degree and outline the remaining courses needed. These forms must also show the time frame in which you will be completing these courses. (Transfer students need to indicate how your transfer credits apply to your degree).
- Your new program must be officially declared through the Admissions & Records Department.
- If you have ever taken out student loans, please submit two printouts:
  - The record of your total indebtedness to date from www.nslds.ed.gov
  - Your anticipated repayment amount for your loan totals to date, found using one of the loan calculators found at http://studentaid.ed.gov/PORTALSWebApp/students/english/OtherFormsOfRepay.jsp)
- **Optional** - Attach supporting statements from instructors, etc. to document your situation; the financial aid staff is not responsible to call for information.

Appeals will be reviewed on an individual basis and a written response will be mailed.

I certify that all information given on the attached statement and contained in supporting documentation is true and correct to the best of my knowledge.
