Your Feather River College financial aid record indicates your aid eligibility has been terminated for failure to maintain satisfactory academic progress requirements (GPA of 2.0 or higher, successful completion of 70% of units attempted).

If you believe your FRC record does not accurately reflect your academic progress due to extenuating and unusual circumstances, you must appeal in writing. Phone appeals will not be accepted.

Below are guidelines to help gather information for your petition:

- Submit this form and a written statement indicating the reasons why your GPA and/or unit completion were not met and indicate how circumstances have changed to allow compliance for future terms of enrollment.
- Optional - Attach supporting statements from instructors, doctors, etc. to document your situation; the financial aid staff is not responsible to call for information.

Appeals will be reviewed on an individual basis and a written response will be mailed.

I certify that all information given on the attached statement and contained in supporting documentation is true and correct to the best of my knowledge.
