Federal regulations require that students have graduated from high school in order to be eligible for financial aid. Graduation from high school includes having received a high school diploma, having a GED or having completed homeschooling at the secondary level as defined by state law. **I am eligible for aid based on:**

- High School Diploma       GED       Completion of homeschool at secondary level

**Please Note:** If you have not completed one of the above requirements, but have taken the Ability-To-Benefit test or have completed 6 degree-applicable units *prior* to 2012-2013 and have received financial aid you will need to complete the *Prior ATB Eligibility* form, which can be located on our website.

Federal regulations also require that a student be in an eligible program. Please print your General Student Record page from MyFRC and attach it to this form. Instructions on how to print out your General Student Record can be found at: [www.frc.edu/financialaid](http://www.frc.edu/financialaid). Click on MyFRC Instructions located at the top of the page.

- I have attached a printout of my General Student Record from MyFRC that shows my major.

If you have not yet declared a major, you will need to submit a Major and/or Degree Change form which can be found in the Admissions & Records Office website at: <http://www.frc.edu/admissionsandrecords>.

FRC requires that you submit transcripts from all colleges you have previously attended. Please list below all colleges you have attended and indicate the status of your transcript submissions. If you need additional space, please use another sheet of paper and attach to this form.
