**•Please read the following loan information and initial each section after you fully understand the information given. •**

       **For the 2010-2011 academic year all students must successfully complete and sign the Master Promissory Note (MPN).** This step must be done in order to complete the processing of the loan. The MPN is a contract that you electronically sign; the MPN indicates that you are promising to pay the loan back. The MPN is signed electronically using your federal PIN at [www.studentloans.ed.gov](http://www.studentloans.ed.gov).

       All first-time student loan borrowers must complete a loan Entrance Counseling requirement. This requirement may be met by visiting [www.studentloans.gov](http://www.studentloans.gov) and completing the Entrance Counseling session. If you have completed this requirement through the Direct Loan Program at another institution you are not required to complete it again. **The Entrance Counseling requirement MUST be met before FRC will disburse your student loan.**

       You must complete all forms and return them to the Financial Aid Office. The loan proceeds must only be used for authorized expenses including tuition, room and board, fees, books, supplies, equipment, dependent child care, transportation and commuting expenses. Loan proceeds may not be used to purchase or lease an automobile.

       All loan requests are reviewed by a Financial Aid Officer. Feather River College can refuse to originate your loan request, or can modify the loan amount if the school documents the reason for its action and explains the reason to the borrower. Loan amounts must be prorated if you are enrolled in a program containing fewer credit hours than the statutory minimum academic year, or if you are in a program that is longer than an academic year, but your final period of study is shorter than an academic year. Loan amounts must be prorated if you are enrolled in less than a full term.

       Feather River College will receive the funds electronically and within three working days post the funds to your student account. After all applicable fees are deducted, any balance will be refunded to you within 14 days after posting to your account. **The school cannot deliver loan funds to you if you are a first-year undergraduate and a first-time borrower until 30 days after the first day of your enrollment period.**

       You have the right to cancel all or a portion of your loan. All cancellation notices must be in writing and submitted to the Financial Aid Office before the loan funds are returned.

       You are required to complete an Exit Loan Counseling Session at [www.studentloans.gov](http://www.studentloans.gov) within 30 days from the time you dropped below half-time (6units), ceased enrollment, or graduated.

       The National Student Loan Data System (NSLDS) provides a website for student and parent borrowers to track and manage their federal student loans and/or grants. It is available 24 hours a day 7 days a week. The website is [www.nsls.ed.gov](http://www.nsls.ed.gov). You will need a federal PIN to access this information.
