

Feather River Dormitory

Student License Packet

A beautiful place to live!

Dear Student:

Students are required to complete a new Housing License Packet. Enclosed is the 2004/2005 Student Housing License Packet. We are glad you have selected Feather River College and Feather River Dormitory. Choosing Feather River Dormitory and living in such a supportive environment will have a tremendous impact on your academic success and personal growth.

To assure a space in the Dormitory it is important that you complete the enclosed forms accurately and return them with the security deposit. Please read the entire license agreement and handbook carefully. You will need to complete and return the following:

- 1. Your signed Student Housing License Agreement.**
- 2. Emergency Information Form.**
- 3. Your security deposit check payable to: Feather River Dormitory.**

When you have completed the above, return all items in the enclosed envelope. Returned license agreements that are incomplete will not be processed. You will receive either the return of your license agreement confirmation signed by the Director of Student Life and Development or a letter informing you of your status. You will receive your assigned housing by the first week in August, which includes information about your room assignment, items to bring to campus, and for new students and freshman, an invite to Feather River College's New Student Orientation program. Your roommate assignment will be given to you when you check in to your living environment.

If there are questions regarding contracts or deposits, please contact the Feather River Dormitory Housing Office at 530-283-9713.

Sincerely,

Terry Pack
Director of Student Life and Development
