Update on Constitution and Bylaws with Natalie Thomas

- Fixing the outdated ideas, updating the preamble and such to update and put our spin.

Timelycare

- How to better promote the app? FRC pays for students to have free access to virtual mental and medical, and basic needs services. Evi asked if student could get a medical note for class if needed? This could be helpful and a good way to promote the app. \

Upcoming Spring Events

- Discussed New Student Orientation and Week of Welcome for new Spring students. (open to all students)
- New Student Portal (MyFRC upgrades) one single sign on for canvas, email, myFRC. Hopefully about February. Officers were supportive of this and felt it would be helpful.
- Free Breakfast Changes: Costs were very high for fall semester, but a service the college would like to continue for students. There will now be a check in as students enter the Perch and limited to one breakfast per students. Staff will pay a reduced fee (\$5) to reduce costs for this semester.
- Officers would like to plan another 3v3 basketball tournament for March Madness. Maybe add teachers to compete against.
- Diversity and Cultural Fair coming up. Would like officers involved. Usually held each year in April. Opportunity for students to get involved to represent, their country, culture, race, ethnicity, identity, any aspect of Diversity
- Start thinking about recruiting next year's officers. Applications will be open in early April.

- Powder Puff for Women's History Month. Could connect to Title IX.

Snapchat update

- Send the proposal to Nick Maffei: Could promote at the cultural fair.
