

REPORT TO BOARD OF TRUSTEES
SUPERINTENDENT/PRESIDENT KEVIN TRUTNA, ED.D.
DECEMBER 12, 2019

1. STUDENT AND EMPLOYEE ACCOMPLISHMENTS

Congratulations to **Coach Sarah Ritchie** and the women's volleyball team for their accomplishment as CCCAA state champion. To the right is a picture after the game from the video feed featuring the crowd that traveled to Southwestern College for the title game. This is the first CCCAA state championship for the Golden Eagles and a well-deserved honor for the volleyball program that excels in the classroom as well, earning national academic awards and having six Phi Theta Kappa members on the current team.

FRC Students, staff, and faculty got into the holiday spirit during the light parade at Sparkle! Students and members of the football team **Cameron Richards, Elijah Boykins, Daniel Cram** and **Sylvester Simple** enjoyed the festivities and shared that they didn't realize so many people lived in Quincy!

Riley and **Kaity York** drove the rodeo team in a well-lit truck with bull horns. **Greg McCarthy** rode on the Boy Scout float with his son **Cooper**. **Rick Leonhardt** drove an antique tractor pulling the Quincy Rotary float. **Kinderlin Hoznour** and the Child Development Center were selling hot cocoa as a fundraising event. **Dr. Kevin Trutna** is a member of the Quincy Chamber of Commerce, who organized the event that was fun for all!

The University of California San Diego Center for Western Weather and Water Extremes (CW3E) at Scripps Institution of Oceanography have completed installation, with data acquisition at the Feather River College site now available online, updated hourly, at <https://cw3e.ucsd.edu/cw3e-surface-meteorology-observations/> (choose Feather River College in the dropdown menu) and available through NOAA <https://www.esrl.noaa.gov/psd/data/obs/datadisplay/index.php?ProjectID=7> (search by site name and choose SCRIPPS (CW3E) on the Data Source dropdown). The researchers look forward to coordinating with FRC Environmental Studies classes analyzing the data.

Jalen Dummett – Quarterback First Team All-Conference

Eric Schmitz-Moran – Linebacker First Team All-Conference

Brady Odom – Offensive Line First Team All-Conference

In Partnership with Public Health, Student Services hosted an educational event for the Great American Smokeout, an annual event Sponsored by the American Cancer Society on the third Thursday of November to encourage smokers to make a plan to quit. Displays went beyond tobacco use providing statistics about vaping and marijuana use as well. The Wellness Center Peer Educators also contributed a display describing the Effects on Mental Health. Students and Staff who visited the tables received a free “cold turkey lunch.” The event also served as a reminder that smoking is only permitted in designated locations on the Feather River College campus, and that the District intends to become a Tobacco and Smoke free campus by the 2020-21 academic year as stated in AP/BP 3570.

Megan Stowe, former FRC soccer player, featured on Crawley Wasps professional team advertisements in England.

@cccwvca

Rarely do you see parades for community college state titles, but that's exactly what the City of Quincy is doing for the recently-crowned Feather River College women's volleyball team. How about that!

jordan
@JordanSchatzel

I miss FRC where they actually cared about you and your well-being

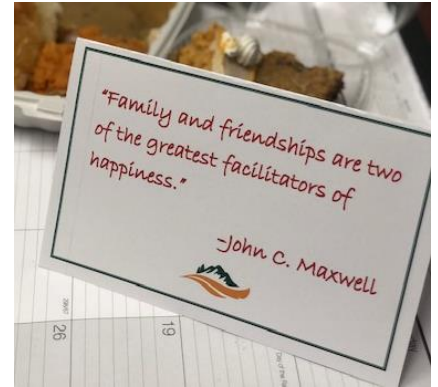

FRC President @FRCPrez · 2d
Good luck on finals this week #FRCNation
We got you covered with free snacks in student lounge and TRiO Office

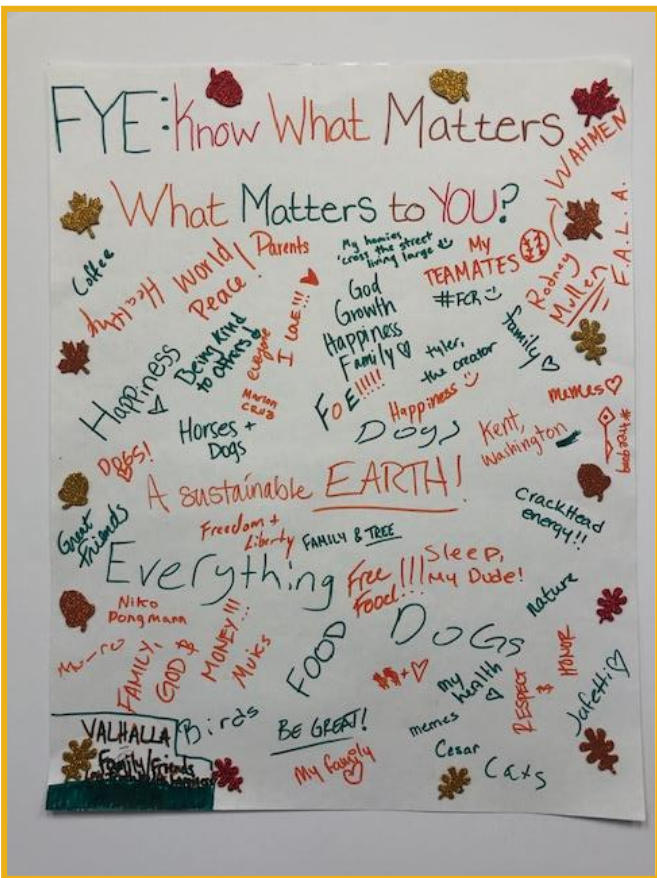

Despite the snow storm which caused an early exodus from campus for the Thanksgiving Holiday weekend for many, the annual Thanksgiving Lunch was still a success with wonderful food and community built among the campus.

The Diversity Committee, who organizes the event each year, was inspired by the First Year Experience theme "Know What Matters" and displayed a variety of poster boards from the Symposium presentations to highlight what matters to students. Some of the general topics included mental health, immigration, global warming, racism and animal abuse. The committee also surveyed staff to find out what matters to them and the results were displayed as decoration.

Thank you to the Diversity Committee members for organizing, Eagle's Perch staff for cooking a traditional meal and to staff for their generous donations of delicious desserts and helping serve up the feast!

Dr. Kevin Trutna
President
Feather River College
570 Golden Eagle Avenue
Quincy, CA 95971

Dear President Trutna,

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met December 11, 2019, to review the Substantive Change Application from Feather River College to offer:

- Distance Education

The Committee acted to **approve** the substantive change.

On behalf of the Commission, I wish to express appreciation for the work that the College undertook to prepare this Application for Substantive Change. The Commission encourages the College's continued work to ensure educational quality and to support student success.

If you should have any questions concerning this letter or the Commission action, please don't hesitate to contact me. We'd be glad to help you.

Sincerely,

Stephanie Droker, Ed.D.
Senior Vice President
