## 21ST ANNUAL FEATHER RIVER COLLEGE AGRICULTURE DEPARTMENT PRODUCTION HORSE SALE

**Welcome to Feather River College's Annual Horse Sale.** We hope you enjoy the day at our facility on the beautiful FRC campus. This sale offers a variety of horses ranging from 3 year old horses with a solid foundation to older riding horses that have been started in the hackamore by students in the Equine and Ranch Management Bachelor Degree Program. There are 24 registered American Quarter Horses in the sale this year so please take the time to view the previews on Friday, May 17 at 1 pm, and Saturday, May 18 at 9 am, the student demonstrations at noon on Saturday, and to be ringside for the live auction at 1 pm on Saturday to see the quality of horses and work that went into this year's sale.

At Feather River College, our **horse training philosophy** comes from a variety of *true horsemen*. Guest lecturers and clinicians come to add to our instruction. This year we have hosted Bryan Neubert, Teddy Robinson and Eric LaPorte. Our instructors use "textbooks" from those horse trainers that we consider to be *legends* including Bill Dorrance and Leslie Desmond's *True Horsemanship Through Feel*, Les Vogt's *Cow Horse U*, Tom Dorrance's *True Unity*, Ray Hunt's *Think Harmony With Horses*, Sally Swift's *Centered Riding*, and Jack Brainard's *If I Were to Train a Horse*.

Please thank the Feather River College Equine Studies students for all their hard work to make this sale a great success. They can answer all of your questions about the horses they have trained, about the Equine Studies Program, or about their plans for the future.

Over the last twenty-one years, this sale is successful with the help of Eric Duarte's superb auctioneering skills. A special thanks to Gene and Gail Armstrong, Teddy Robinson and Eric LaPorte for their assistance with students in the preparation of their sale horses. We would also like to thank Nick Dowers for judging the competitions and for his very knowledgeable commentary during the auction. Feather River College would also like to thank the ringmen, Mark Holt, Victor Madrigal, and Eric Drees.

## SALE TERMS AND CONDITIONS

PROSPECTIVE BUYERS PLEASE READ CAREFULLY!!

All purchases through this sale are bound to the terms and conditions set forth herein, whether buyer has read them or not. Please take the time to read and become familiar with them, and be aware that all transactions in this sale are governed by these terms and conditions. The failure of any buyer to comply with the terms and conditions set forth here will constitute default by the buyer.

1. All horses are offered for sale according to the laws of the State of California. There is no representation or warranty expressed or implied by the Auctioneer Eric Duarte, Nick Dowers, Sale Staff, FRC students as to soundness or fitness for any particular purpose of any horse offered in this sale. Feather River College Foundation is the responsible party for all representations concerning the condition of any horse.
2. Effort has been made to assure correctness of this catalog. However, Feather River College Foundation and auctioneers will not assume responsibility for errors or omissions. Announcements in the ring take precedence over printed information. **PAY CLOSE ATTENTION TO THE ANNOUNCEMENTS.** Buyer is bound by all announcements from the auctioneer stand at the commencement of the sale and at the time of sale of each individual horse.
3. The highest bidder is to be the buyer. If a dispute should arise between bidders, the disputed horse will immediately be put up for bid again. In any dispute, the auctioneer has sole authority to settle the dispute and his decision is final. Feather River College Foundation reserves the right to waive the sale of a horse **BEFORE** it leaves the ring.
4. Feather River College Foundation will have a veterinarian perform a health and soundness exam on the sale horses within five days of the sale. At this time, a veterinarian will issue a certificate of soundness and health as of the date of the examination. This certificate of soundness and health will be in lieu of a sifting committee the day of the sale. At the discretion of Feather River College Foundation management, horses that are not healthy or sound on sale day will either be pulled from the sale or be sold with the condition reported in the certificate of soundness and health. **Buyers have the right and are encouraged to have a veterinarian of their choice conduct a complete pre-purchase exam on any horse offered in the auction at the buyer's expense.** Purchasers of horses in this sale acknowledge that they have had the opportunity to thoroughly examine by veterinarian or otherwise each horse that they have purchased and hereby accept any horse they purchase "as is" with all defects and conditions except those that are specifically warranted in these conditions. Additional veterinarian assistance (except for the initial evaluation conducted by Feather River College Foundation) will be at the buyer's expense. Be sure to **EXAMINE HORSES PRIOR TO PURCHASING.**
5. All horses have been tested for Equine Infectious Anemia (Coggin's Test) and found **NEGATIVE** within 6 months of the sale date. Coggin's papers will be present in the individual horse's folder. A veterinarian will be on site immediately after the horse sale to issue health certificates for horses leaving the state.
6. Feather River College Foundation warrants to the buyer that it is in possession of the title of the animal, free from all adverse claims to ownership, use or possession. Title to and the risk of loss passes to the buyer when the horse is announced "sold" by the auctioneer. All buyers will fill out and sign an acknowledgement of purchase brought to them by the ticket runner. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer further agrees to indemnify and hold Feather River College Foundation harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by the buyer, the buyer's agents or employees, or by the animal, subsequent to the time of purchase. **NO HORSE WILL LEAVE UNTIL FINAL SETTLEMENT HAS BEEN MADE.**
7. **SATISFACTION GUARANTEE.** If the buyer is dissatisfied with the horse's behavior during the 15 days after the sale, buyer may contact Feather River College Foundation and arrange the return of the horse. Feather River College Foundation shall retain sole discretion and final authority to determine whether any claim will be approved. The horse must be returned in the same condition (mental and physical) as it was when it was initially examined by the Feather River College veterinarian. If Feather River College Foundation has agreed to accept the return of said horse, Buyer is responsible for the immediate return and transportation of the horse. Buyer must present said horse to Feather River College veterinarian at the buyer's expense within 15 days of the date of the horse sale. A refund will be issued once the horse is returned excluding an 18% fee to account for sale related expenses. Feather River College Foundation will be held harmless for any condition that was announced either on the auction stand or in the certificate of soundness and health. If the buyer is dissatisfied with the physical condition or soundness of the horse, the buyer has the right to have a veterinarian of their choice examine the purchased horse. This examination is to be made and Feather River College Foundation is to be notified within **15 days** of the sale. If the purchaser's veterinarian determines the horse to have an alleged pre-existing condition, Feather River College Foundation shall appoint a veterinarian of its choice to examine the horse to determine the current

condition of the horse and whether the alleged defect is in fact a pre-existing condition that was present at time of sale. The decision of the Feather River College appointed veterinarian will be final. Buyer assumes all costs of examination and treatment. If the horse is determined by the Feather River College Foundation veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable. Feather River College Foundation shall retain sole discretion and final authority to determine whether any claim will be approved. If Feather River College Foundation has agreed to accept the return of said horse, Buyer is responsible for the immediate return and transportation of the horse. A refund will be issued once the horse is returned excluding an 18% fee to account for sale related expenses.

8. When a horse is sold, the buyer shall sign the Acknowledgment of Purchase which will be brought to him or her. Title passes when the buyer signs this Acknowledgment. Name and address **MUST BE LEGIBLE** and complete and **MUST BE FILLED IN EACH TIME A HORSE IS BOUGHT**.
9. Terms for this sale are cash, Visa, MasterCard, or Discover. Payment in full must be made to the cashier immediately after the sale on May 18, 2019. Method of payment shall be cash, cashier's check, traveler's checks, personal check (with two forms of identification), or Visa/MasterCard/Discover. All payments must be made to Feather River College Foundation. All "returned" or insufficient fund checks will be immediately turned over to the District Attorney and charges will be filed. All court costs, filing fees, expenses of collection (including reasonable attorney fees) and all expenses of insuring maintaining, transporting or reselling any animal incurred by the consignor or Feather River College Foundation, arising from buyer default, will be paid by the buyer. **ALL BUYERS WILL BE CHARGED THE CURRENT RATE OF SALES TAX ON ANY PURCHASE UNLESS A TAX NUMBER IS GIVEN AND THE PROPER FORM IS FILLED OUT AT THE OFFICE.** Out of state buyers, unless they employ a licensed commercial carrier to deliver the animal out of state and provide the cashier with a copy of a bill of lading, shall be charged the California sales tax. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers must make arrangements for care of horse until it can be removed. Buyers may board their purchased horse at Feather River College until delivery arrangements are made at the cost of \$12.00 per day for a maximum of seven (7) days.

# Ranch Versatility Preview and Student Competition

The horses with ribbons around their neck are the horses buyers need to pay attention to! These are the horses that stand out from the other horses for sale. During the horse sale preview events, students are showing their horses to potential buyers and also competing against each other in a series of ranch versatility trials. Patterns are available in the sales office. Events start Friday morning at 1 p.m. and include:

- **Ranch Reining:** Student will perform a simple reining pattern in the main arena on Friday following the roping of the steer. Reining is an event designed to show the athletic ability of a ranch type horse within the confines of an arena. The judge is looking for a horse that is willingly guided and performs the correct maneuvers with precision. (Red ribbon)
- **Ranch Cow Work:** Cow work is based on the horse and rider's ability to work with cattle. It includes roping a steer and boxing a cow on one end of the arena. Friday morning at 1 p.m. will start with the student roping a steer out of the herd. After the reining pattern is complete, the student will call for a cow. Upon receiving the cow, the student will exhibit their horse's ability to work the cow in the designated end of the arena for a sufficient amount of time. (Yellow ribbon)
- **Ranch Conformation:** Conformation is based on the structural correctness, balance and functional ability of the horse. Saturday at 9 a.m. sale horses will be lined up and evaluated by a judge who will narrow the selection down to the top gelding and top mare prior to selecting the one horse who best exhibits the ideal conformation for a ranch horse. (White ribbon)
- **Ranch Trail:** At 10 a.m. on Saturday students will complete a trail course designed to show the willingness of the horse to perform several tasks that might be asked of them during the course of a normal work day on the ranch. Some of the obstacles may include opening a gate, crossing a water hazard or a bridge, side passing over a log, carrying a slicker from one spot to another, roping a stationary steer, and more. (Green ribbon)
- **Ranch Riding:** Immediately after the Ranch Trail class, the student will begin a ranch riding pattern that will have the rider walk, trot and lope the horse in both directions, stop and back. A ranch horse is expected to perform these functions at smooth working speeds. The judge is looking for smooth transitions between gaits, keeping the correct lead and maintaining the correct gait between markers. This class is ridden and judged individually and show how broke and responsive the sale horse is to the rider's queues. (Pink Ribbon)
- **Versatility Ranch Horse:** The all-around champion of all the combined events will be determined and awarded the title of Versatility Ranch Horse Champion and receive the "Top Hand" award consisting of a custom made Double Diamond Halter. The Versatility Ranch Horse champion will be announced immediately prior to the sale. The student with the All-Around Top Horse will be awarded a custom halter made by Double Diamond Halter Company (Blue ribbon)
